

South Hinksey Parish Council

Invitation to quote – South Hinksey

South Hinksey Parish Council is currently reviewing its grass cutting and maintenance contract and invites you to submit a quotation for the 2017 contract.

The four areas of work are:

1. Roadside verges. Cutting the verges and traffic islands, as marked in green on the plans on pages 5 and 6 of the 2015 tender documents attached, seven times this season and trimming back any hedgerows encroaching on the verges and maintaining shrubs on Hinksey Hill traffic islands as needed.

2. Village Fete mowing. Mowing once a year two areas of 30mx35m in the field to rear of Village Hall.

3. Footpath. Ensuring that bushes and weeds do not encroach onto the footpath connecting South Hinksey village with the City of Oxford, called the Devil's Backbone, between the western end of the footbridge over the railway and where the path meets Manor Road in South Hinksey. See map on page 4 of the 2015 tender documents attached.

4. Weed control. Twice a year treating weeds and removing the debris along pavements, curbs and roadsides on Manor Road, St Lawrence Road and Parker Road in South Hinksey village, and along Hinksey Hill (including traffic islands).

20a Harley Road, Oxford, OX2 0HR
